

issue the COC in accordance with applicable SBA regulations.

(2) SBA Headquarters will furnish written notice to the procuring agency's Director, Office of Small and Disadvantaged Business Utilization (OSDBU) or other designated official (with a copy to the contracting officer) that the case file has been received and that an appeal decision may be requested by an authorized official.

(3) If the contracting agency decides to file an appeal, it must notify SBA Headquarters through its procuring agency's Director, OSDBU, or other designated official, within 10 business days (or a time period agreed upon by both agencies) that it intends to appeal the issuance of the COC.

(4) The appeal and any supporting documentation shall be filed by the procuring agency's Director, OSDBU, or other designated official, within 10 business days (or a period agreed upon by both agencies) after SBA Headquarters receives the agency's notification in accordance with paragraph (a)(3) of this subsection.

(5) The SBA Associate Administrator for Government Contracting will make a final determination, in writing, to issue or to deny the COC.

(b) *SBA Headquarters' decisions on COCs valued over \$25,000,000.* (1) Prior to taking final action, SBA Headquarters will contact the contracting agency and offer it the following options:

(i) To request that the SBA suspend case processing to allow the agency to meet with SBA Headquarters personnel and review all documentation contained in the case file; or

(ii) To submit to SBA Headquarters for evaluation any information that the contracting agency believes has not been considered.

(2) After reviewing all available information, the SBA will make a final decision to either issue or deny the COC.

(c) *Reconsideration of a COC after issuance.* (1) The SBA reserves the right to reconsider its issuance of a COC, prior to contract award, if—

(i) The COC applicant submitted false information or omitted materially adverse information; or

(ii) The COC has been issued for more than 60 days (in which case the SBA

may investigate the firm's current circumstances).

(2) When the SBA reconsiders and reaffirms the COC, the procedures in subsection 19.602-2 do not apply.

(3) Denial of a COC by the SBA does not preclude a contracting officer from awarding a contract to the referred concern, nor does it prevent the concern from making an offer on any other procurement.

[62 FR 44821, Aug. 22, 1997]

#### 19.602-4 Awarding the contract.

(a) If new information causes the contracting officer to determine that the concern referred to the SBA is actually responsible to perform the contract, and award has not already been made under paragraph (c) below, the contracting officer shall reverse the determination of nonresponsibility, notify the SBA of this action, withdraw the referral, and proceed to award the contract.

(b) The contracting officer shall award the contract to the concern in question if the SBA issues a COC after receiving the referral. An SBA-certified concern shall not be required to meet any other requirements of responsibility. SBA COC's are conclusive with respect to all elements of responsibility of prospective small business contractors.

(c) The contracting officer shall proceed with the acquisition and award the contract to another appropriately selected and responsible offeror if the SBA has not issued a COC within 15 business days (or a longer period of time agreed to with the SBA) after receiving the referral.

#### 19.702 Statutory requirements.

Any contractor receiving a contract for more than the simplified acquisition threshold must agree in the contract that small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns will have the maximum practicable opportunity to participate in contract performance consistent with its efficient performance. It is further the policy of the United States that its prime contractors establish procedures to ensure the timely payment of amounts due pursuant to the terms of their subcontracts with small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns.

(a) Except as stated in paragraph (b) of this section, Section 8(d) of the

Small Business Act (15 U.S.C. 637(d)) imposes the following requirements regarding subcontracting with small businesses and small business subcontracting plans:

(1) In negotiated acquisitions, each solicitation of offers to perform a contract or contract modification, that individually is expected to exceed \$500,000 (\$1,000,000 for construction) and that has subcontracting possibilities, shall require the apparently successful offeror to submit an acceptable subcontracting plan. If the apparently successful offeror fails to negotiate a subcontracting plan acceptable to the contracting officer within the time limit prescribed by the contracting officer, the offeror will be ineligible for award.

(2) In sealed bidding acquisitions, each invitation for bids to perform a contract or contract modification, that individually is expected to exceed \$500,000 (\$1,000,000 for construction) and that has subcontracting possibilities, shall require the bidder selected for award to submit a subcontracting plan. If the selected bidder fails to submit a plan within the time limit prescribed by the contracting officer, the bidder will be ineligible for award.

(b) Subcontracting plans (see subparagraphs (a)(1) and (2) above) are not required—

(1) From small business concerns;

(2) For personal services contracts;

(3) For contracts or contract modifications that will be performed entirely outside of the United States and its outlying areas; or

(4) For modifications to contracts within the general scope of the contract that do not contain the clause at 52.219-8, Utilization of Small Business Concerns (or equivalent prior clauses; e.g., contracts awarded before the enactment of Public Law 95-507).

(c) As stated in 15 U.S.C. 637(d)(8), any contractor or subcontractor failing to comply in good faith with the requirements of the subcontracting plan is in material breach of its contract. Further, 15 U.S.C. 637(d)(4)(F) directs that a contractor's failure to make a good faith effort to comply with the requirements of the subcontracting plan shall result in the imposition of liquidated damages.
